

New Parking Lot Security Measures at Shaare Shalom

Due to heightened security, we are putting into place the following new security measures. For everyone's safety, we urge you to please follow these regulations.

- Those who wish to leave their cars overnight on Friday night at the parking lot must park their cars at the far end of the parking lot against the wall. All vehicles must have the UMJCA sticker.
- At no time will any car without the proper UMJCA sticker be allowed into the parking lot.
- No cars will be allowed to park in any area that is not specifically marked as a parking space, such as car lanes and fire lanes.
- Once the parking spaces have been filled, the gate to the parking lot will be **CLOSED** and no more cars will be allowed inside. Please do **NOT** try to make the gate attendant let you in if the gate is closed.
- Our security guards are responsible for the safety of the community members and the building. Please do not ask any of the security guards to park your car.
- The rear entrance into the Synagogue from the parking lot will be **CLOSED** on the outside. Please enter the Synagogue through the main entrance on the east side.
